Running assemblies were a part of his job.

A new land, a new experience, and a key to the city.

Marines experienced great joy at receiving packages from East students.

Activities, a word that means so much when mentioned. It may be in a play or in a serious assembly to set off our Third Marine Week — a student in the library studying. All are covered in the vital and important life of East High School.

Class of '69 Float Wins Again

Homecoming, 1967

The Homecoming Royalty was crowned traditionally.

The traditional East High spirit was carried out through the entire year.

Mixed emotions were felt throughout the student body.

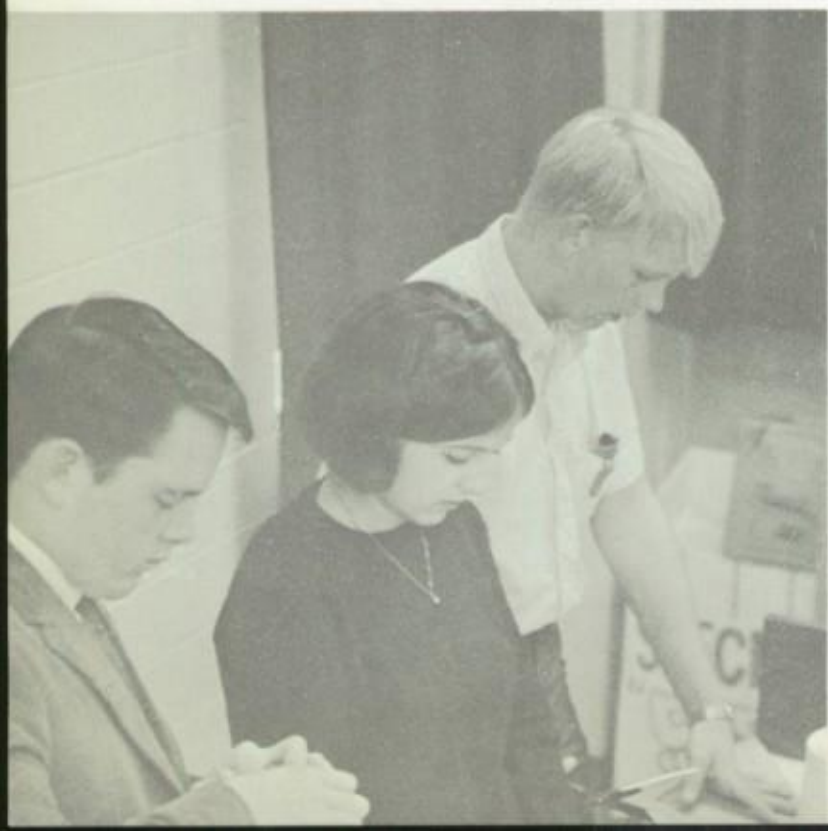

Life at East covers a variety of scenes. From a freshman dropping his books in the hall to General Walt speaking to a special assembly about Viet Nam. Each scene is a special one and important in its own way.

Whoops! It's all part of being a freshman.

Students wrapped presents for Marine Week.

General Walt told of his Viet Nam experience.

Foreign exchange student gets his first glimpse of the East High Mascot.

Students practice the right to vote.

"A little to the left!" Members of the Spanish club try to hit the pinata at one of their parties during the school year.

East High students responded to a Marine's request.

The yearbook staff set a new tradition by using

an assembly to promote
Legend sales.

AA Juniors Discuss Thoreau's Philosophy

English is the center of gravity to which all subjects are related. This vital part of East High School life is a varied and comprehensive program with a place for each student. Each individual has a place and rate of progress, whether it be Senior AA English or the Freshman C level. The members of the faculty are constantly striving to improve teaching methods and techniques with this in mind. Classes may work as individuals or in group discussions, depending on their purpose.

'Awareness' Urged In Social Studies

Increasing importance is being placed on the American citizen to uphold the traditional heritage of his nation. Classes in the social studies department include world history, world geography, American history, American government, and economics. Through the social studies courses, students became aware of the world around them and were provided with concepts necessary for good citizenship.

With the field of Science growing more and more in the world today, the Science Department of East High must advance as well. The goal of the Science Department is to give each student a solid understanding of each branch of science.

Many new ideas of classroom teaching were experimented with in the Science Department this year. One of these was an ungraded Science Seminar class. In this predominately senior class, the students were allowed to pursue any field of science.

Mathematics Challenges All Students

Because Mathematics is so important in all fields, the Math Department has a very important job to do. It must prepare the students of East High for anything they might do after graduation. With accelerated classes in algebra and geometry, the more advanced students may study to their highest abilities. The student, regardless of his ability, will benefit from any class in which he chooses to enroll.

Classes Aid Students in Business World

The knowledge of business is the true key to the future. Students interested in business careers took advantage of courses offered by East High's business education department and found them well worth their while as they plan for future vocations. Work experience was available to give students on-the-job training for which they received regular credit.

East High's Art Department is an enjoyable part of the curriculum. It gives the students with an interest a program of art, from sculpture to sketching. The faculty is always aware of new methods in the program.

The Music Department forms an important part of student life at East High. Vocal and instrumental music have a variety of courses from which to choose, according to the student's ability and skill in the area.

Through the conference rooms and study carrels, a student may work in a group or as an individual, whatever his needs may be. The faculty is a helpful guide to the students.

For girls with singular interests, classes in Pom Pon, Cheerleading, and Modern Dance are offered. For boys, interscholastic and intramural athletics are strongly encouraged. Interest was high this year, and new teams were formed.

The jobs of the maintenance crew are many and varied. They include everything from making East High's grounds one of the prettiest in the city to the daily cleaning of all classrooms. New flowers are planted several times a year to add variety to the school's appearance. Sixth hour every day, one will find them cleaning the halls.

The night crewmen are in charge of cleaning and making the school ready for the next day's activities. The day crewmen tend to the grounds, do mid-day cleaning, and odd repair jobs around the school. Not pictured are the day crewmen which include Joe Janik, Frank Boykin, Al Gomez, Mel Juntti, Roy Kent, and Wesley Peterson.

Jim Younger, Student Body President, has the responsibility of student government resting on his shoulders. Jim presides over the Executive Committee and Senate, conducts assemblies and represents East at student council conventions.

Vice President Claude Tellef's main duties are serving as election committee chairman and presiding over Inter-Club Council. But he also receives many important small jobs which require him to be a jack-of-all-trades.

Mary Freeman's duties as Student Body Corresponding Secretary-Treasurer include maintaining student government correspondence, keeping an account of the associated student body funds and updating the student government files.

The Executive Committee is the real backbone of student government. It is composed of the four student body officers, the four class presidents, and the foreign exchange student who serves as an ex officio member. The group is sponsored by Mr. Mel Dunn.

The committee acts as a link between students and the administration by presenting student views and ideas. It guides as well as proposes Student Senate legislation, selects committee chairmen, delegates jobs to trustworthy students, promotes better relations with other schools, and represents East at student government conventions.

Girls' League Central Council is considered an important part of student government and is composed of the four officers of each class council. Headed by Diane Avery and sponsored by Mrs. Lucene Billing, the group mainly undertakes service projects.

These projects include the annually sponsored Christmas Prom, Marine Week, all types of Christmas projects and those of each class council. A unique quality of Girls' League is that every girl student at East High is a member of the organization.

Bentley Exchange From Liverpool

Fellow Students:

I have really enjoyed my stay here in Phoenix, and when I return to England in July, I will miss quite a few people at East who have tried to make my stay here a happy one. The faculty and administration were quite happy to help me out with any problems I might have had here.

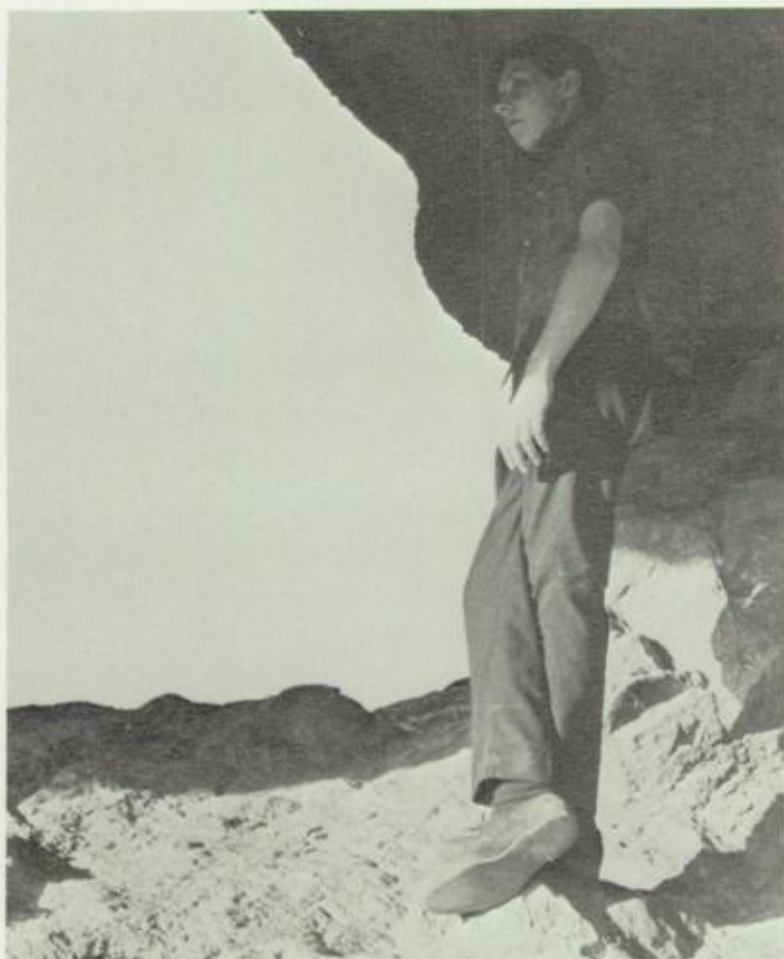

Here at East, most people are friendly, which is a pleasant change from some schools I have been to. There is more freedom in some cases at East than there is at the school I will be going back to in Liverpool.

This school year has been a really big experience for me because this is the first time that I have had to start all over again.

I would like to close by saying that I hope the next foreign exchange student gets as warm a welcome as I got.

John Bentley

Sincerely,
John Bentley

East's Musicians Merit Positions In All-State

It is a very high honor to be selected for any All-State group. This year, twenty-one members of East High's music department participated in All-State musical groups. Actually twenty-three places in the four groups were claimed by East High students, but two students qualified for two groups each and could choose only one.

Publications workshop was attended by many of the members of East's publication's department this summer. Students went to NAU for either the newspaper or the yearbook session to learn new techniques through the classes offered. The classes included beginning layout in the yearbook session and reporting in the newspaper session. Attending the workshop for 10 days, students had a rewarding time.

The National Conference of Christians and Jews is for the promotion of better understanding between people, mainly concerning social problems. The students attended two main assemblies in which they heard speakers; they also divided into groups in which the members of those groups had discussions about problems and possible solutions for them through better understanding.

Fun and Frolic Fill our Follies

"Bonanza", Longhorn style was the title of the '67 Faculty Follies. Instead of the old fashioned way of the melodrama, it was a satire on the western television shows, written by Robert Cox. Mel Dunn and Robert Malinski were the main stars of the Follies, but Ken Salt, alias "Super Steer" stole the show in his heroic deed of saving the Longhorn kids from Audra McClintock, played by Roxanne Knight.

The administrators' song, "Everything is up-to-date in Kansas City," turned out to be a big success of the Follies.

Straight from the horse's mouth, "I told you I needed a break." And Mr. Jamison just doesn't know how to cope with the situation.

Whoa Longhorn! Mr. McCullar proceeds to slow down the wagon which carried the saloon girls and Super Steer. The wagon was led by "Louie Longhorn."

The final touch of the Follies was the great embrace of Super Steer (Mr. Salt) and Audra McClintock (Mrs. Knight).

Little John, with whom Amy (Mrs. Brayer) was in love, wanted to build his sweetheart a schoolhouse so she could be a biology teacher.

HOWDY PARTNER! Mr. Malinski played the big role of Bull. He was kidnapped by the McClintock bunch, but was rescued by his brother, Little John.

Beer & Zimmerman Reign In '67

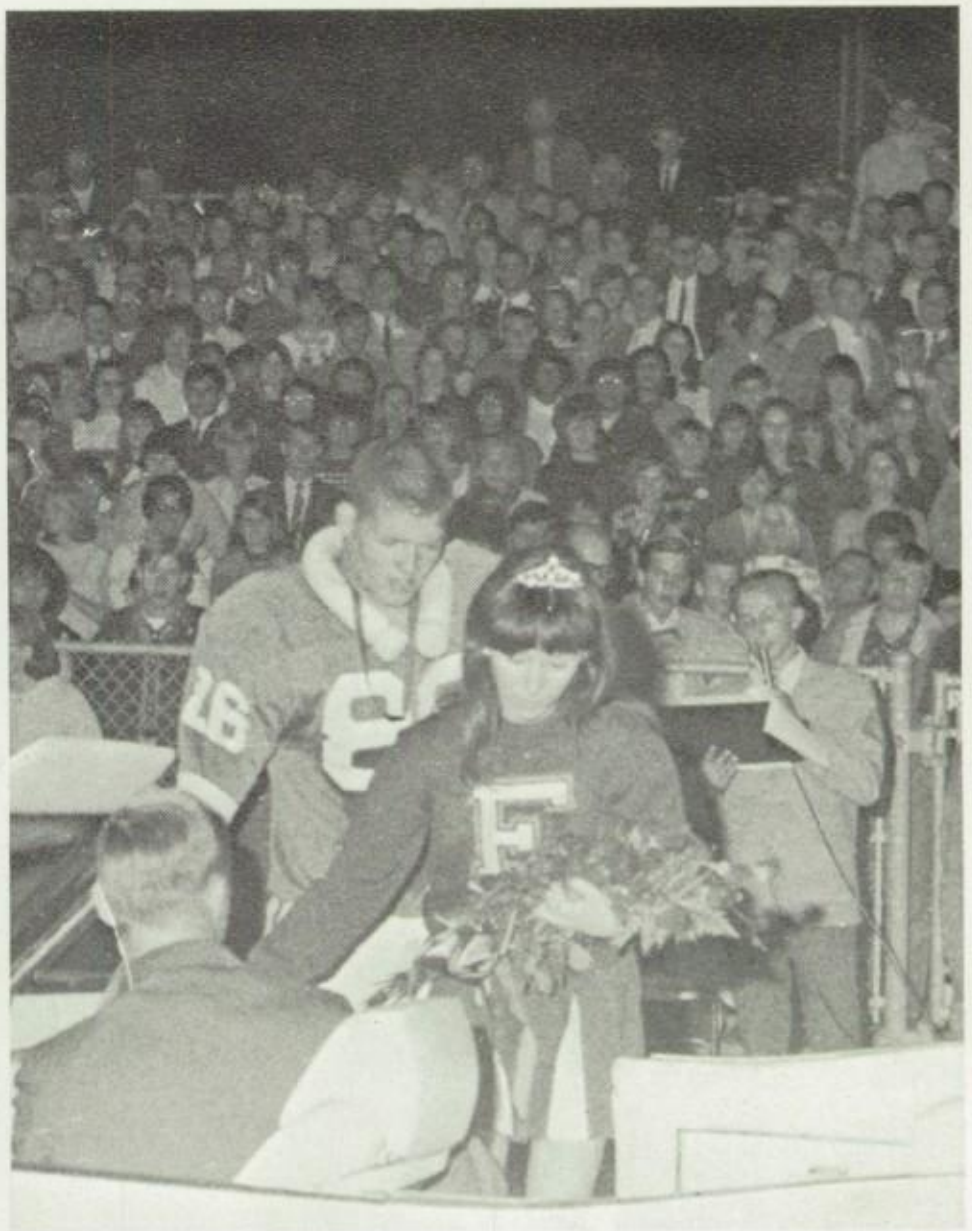

"It's a Small World" was the homecoming theme for 1967. A week of activities took place before the Friday night finale. The coronation of the royalty topped the game's halftime ceremony. Cindy Beer was chosen Queen and Mike Zimmerman, King. The other attendants were Mary Freeman, Kim Guyer, Kris Doyle, and Dedie Heizer. The best float was the Junior's, "Up, Up and Away." Nancy Hinchcliffe headed the homecoming committee.

Many spirited Longhorns watch during the assembly.

An enthusiastic crowd watches as the King and Queen step into their car. Wayne Jobst in background did the announcing for the ceremony.

Cast: From l to r. Wendy Gardner, Jacque Francis, Jeff Dingle, Sharon Denison, Bev Francis, John Fiore, Robert Valencia, Bill Gates, Brenda Van Winkle, Greg Glenn, Paul Ferroni.

During the play, the actors and actresses came up with some wild facial expressions. Here, Marsha Hettich proves it while talking to Bill Gates.

"Listen, you!" Duane Wilson (Robert Valencia) yells at Elwood (John Fiore).

As Veta (Bev Francis) complains, the understanding Dr. Lyman Sanderson (Greg Glenn) listens. Bev did an outstanding job in playing the role as Veta Simmons.

John Fiore, who played the lead as Elwood P. Dowd, thrilled the audience.

'Harvey' Is Fall Production of Masque & Gavel

Where's Harvey? East High Longhorns found the six-foot pooka rabbit at Masque and Gavel's first production of the year, "Harvey." The sixth hour drama class, stagecraft, and Masque and Gavel worked together to construct the most difficult set the East High stage has ever known. The play entertained many who came both nights to see it.

The majority of the cast meets here in Dr. Sanderson's and Dr. Chumley's office. Veta pets Elwood as the rest discuss other problems.

An inspired moment? No, just Veta (Bev Francis) screaming to Dr. Chumley (Jeff Dingle) about her abuse in the doctors office earlier.

Yes, there really was a Harvey. Don Dickson made his appearance as Harvey and posed for our photographer.

Dunn does it again?

Hey, where'd the ball go?

How cum' they get to lie down when we don't!

If you don't play my way, then I just won't play!

Quick! Give the ball to "FATS".

Coaches Strain But Clowns Win Again

Zip — Zang — Zoom — Zonk! Could it be "Rolls Royce" Youree, or was it "Can't Be" Dunn? These were just a few of the thoughts going through the audience's minds at the Harlem Clowns game sponsored by EAST HIGH'S LETTERMEN. The entire night was filled with Ooo's and ah's as the faculty was overcome by the victorious Harlem Clowns. Half-time entertainment was turned over to the Balsz School District boy's basketball tournaments.

*"I've got him this time and I'm not going to let him get away,"
"Can't Be" Dunn.*

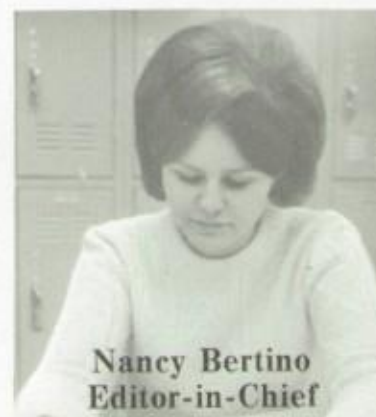

*Now wait just a minute fellas! Is this a basketball game
or a football game?"*

Marching Band Uses 'Patterns Of Motion'

East High's Marching Band provided colorful shows at each football game during pre-game or halftime. Under Drum Major Lane Briley's baton, the band put on interesting shows using "patterns of motion". Concert Band emerged from the Marching Band this year with greater competition and pressures. The emphasis this year was on ensembles: 4 ensembles and 5 soloists reached State level competition. They also attended the ASU Festival for the first time.

Outstanding Honors Won By Stage Band

The stage band played at the NAU Stage Band Festival for the first time and was singled out as an outstanding group. Also a first, they played concerts at many elementary schools. The pep band provided music at before-school pep rallies. Concert Orchestra contributed 8 members to the new system orchestra which gave a well received concert at Grady Gammage Auditorium.

'Quality' is Our Concert Choir

Concert Choir is the most honored chorus at East High School. The Choir consists mainly of Sophomores, Juniors, and Seniors. But, a few times a Freshman with outstanding abilities may be brought up from one of the other choruses at the semester. They performed at fall and spring concerts. They also sang at the State Capitol during the Christmas season. This hard working group practices every day during 4th hour, but sometimes works at night and during their lunch hours. To get into Concert Choir each member must pass an exam similar to an All-State exam.

East Vocal Groups Are Tops

The Madrigal Singers consist of a group of students from the Concert Choir who are selected to sing in this group. The singers sing the positions they sing in the Concert Choir, be they alto, soprano or bass. Made up of 14 members, they may use such instruments as the harpsichord or a recorder to get the effect they need. This group performs in District and State festivals as well as performing in regular school concerts.

Advanced Girls Chorus is just a step below the Concert Choir. They produced several outstanding programs during the year in conjunction with the Concert Choir. Under the inspiring leadership of Mr. Larry Barker, the choir sang at Christmas concerts, assemblies, and civic programs. They were generally considered to be one of the finest girls' groups in the state.

Mixed Chorus is offered for upper classmen who are interested in singing and having a good time. They sang many popular songs besides those sung by the Concert Choir.

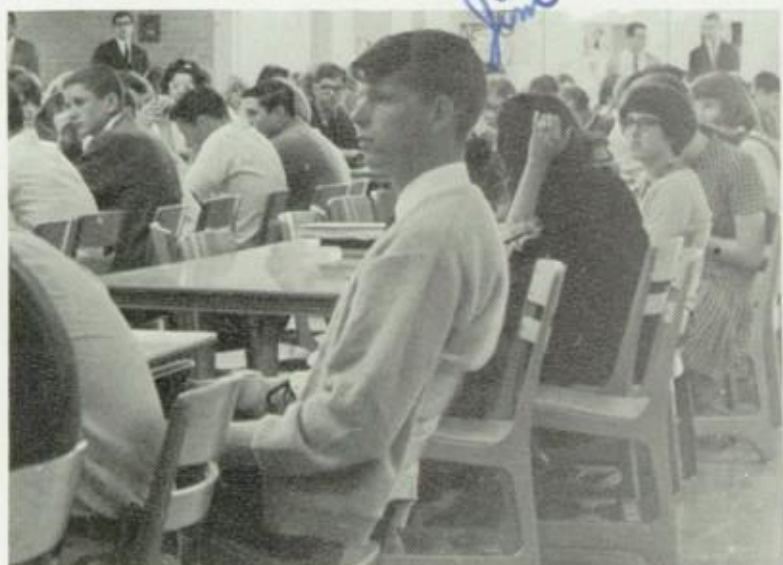

This is the first year a freshman mixed chorus has been offered at East. It gives the student a chance to learn all about different types of music and to become acquainted with other freshman.

Assemblies Offer Much Learning

Pep rallies, modern dance assemblies, guest-speakers assemblies, and serious assemblies have been beneficial assets to our student body and their interests. Each and everyone has had something in it for every Longhorn. This year East High was fortunate in having many guest-speakers such as General Walt, whose appearance left us all with a great deal more understanding of the situation in Vietnam.

the last 4 home games leading up to homecoming.

Pep Assemblies Rally Longhorns

Pep rallies added a lot of spirit towards sport activities we have on campus. From morning pep rallies to afternoon pep rallies students gave full participation. There were many other interesting assemblies such as modern dance assemblies which informed the students of what goes on behind the scenes of some of our P.E. departments at school. The most successful assembly was the narcotics assembly. It was the most useful assembly of them all.

Nine famous documents and a plaque were presented to East at a special assembly with General Walt.

Carol
Well, it's really been a great
four years - too bad it has to
end. I've really enjoyed knowing
you and only wish we could
have been even better friends.
I hope we can keep in touch
after graduation. Best of luck
in all you do - you deserve it!
May God richly bless you.

FOOTBALL

Football Ends; 3 Wins, 1 Tie And 6 Losses

All against all, East's '67 football season was a good one. For being our first year in AA action we did quite well along side of many older and stronger schools. With 3 wins, 6 losses and 1 tie we showed our competitors that we know how to play football and play it well, with nothing neglected. The coaches drilled our boys every day and together with the players' anticipation as well as the fans, we produced great games of skill that added to the experience and education of the team.

Steers, Chargers Lock In Tie, 20-20

Determination, force and a lot of effort put forth helped to make our first game and with our main rival, McClintock, a great one. The team work between Jim Younger, Mike Zimmerman, George Poteet and Tom Ribaudo brought satisfaction to all. The score, a 14-14 tie at half time, concluded with a 20-20 tie, a terrific opening for East High's football season.

Ribaudo drops back to hurl a pass.

Ed Hall slips by with ease to gain yardage for East and bring us closer to the goal line.

West Downs East

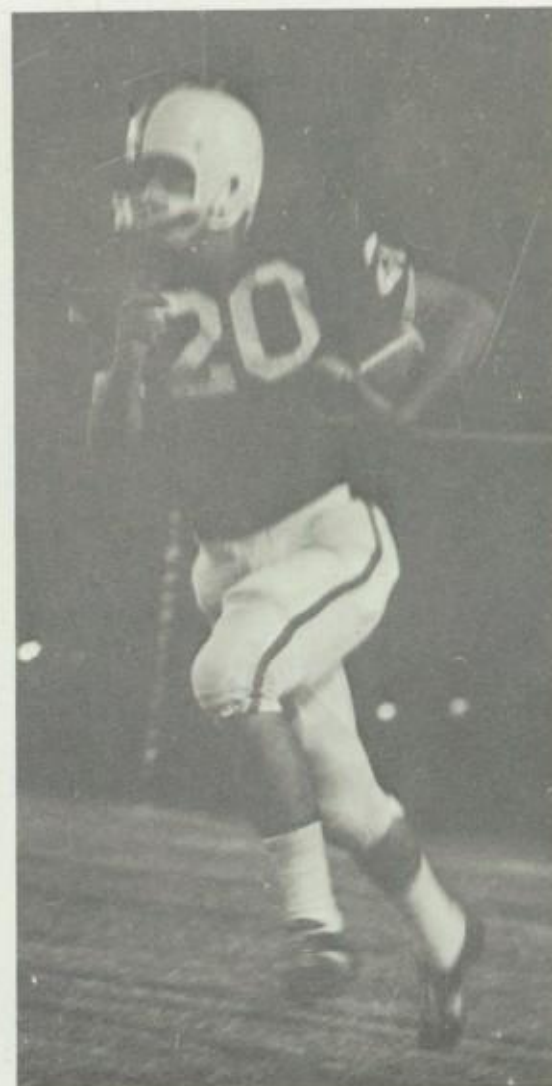

The East High Longhorn's new arrival in football this year, Tom Ribaud, scored our only points for East when we played against West High. Ribaud made a good run of 48 yards for the touchdown but the kick by Pat Wyser unfortunately failed and left the half time score at 6-13. As the time ran out West continued on to score an additional 41 points to really pull away and leave us far behind. A terrifying game of 6-54 was the final result.

Younger calls plays as Hall responds.

Zimmerman clears the way for Ribaud to get by and score a touchdown.

Ribaud again was given the chance for more yardage.

Struggling for freedom from Camelback is George Poteet.

Gridders Confront Spartans, Win, 33-0

One of our old time favorite opponents, Gerard, started off with a bang and scored a touchdown to make the score board show 0-6 at halftime. We, nevertheless, took action and reversed the situation to win our first game 18-6. Tom Ribaudo made a 2 yard plunge to score the first touchdown, Ed Hall ran 7 yards for our second along with Jim Younger's 10 yards of hustling to achieve our third touchdown, to give us our victory.

East, Gerard Fight-Longhorns Prevail

Ed Hall and Tom Ribaudo tried hard that night but just not hard enough. Ed Hall's 35 yards and Tom Ribaudo's 7, together a total of 42 yards, were our only yardage gained while playing against Camelback. Two fumbles of the ball, one in the first half and one in the second half, hurt us considerably. Camelback scored 13 points before half time and another 20 at the close of the game finishing the evening with a final score of 0-33.

With our great offense, Ribaudo got through many times for yardage and points.

Hall gets off a booming punt.

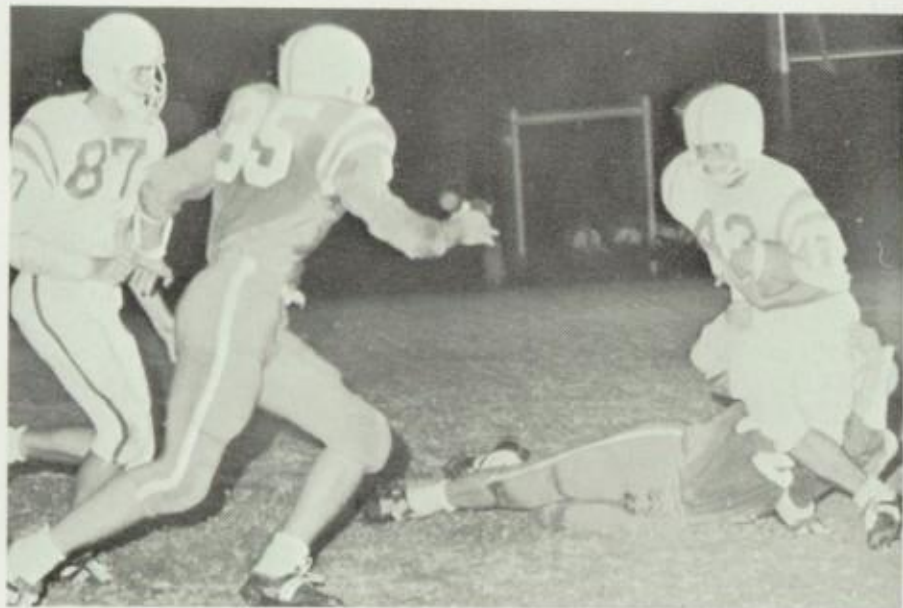

Eddie Hall prepares to throw a crunching block into his opponent.

Tom Ribaudo fights off all four opponents without any direct help of his team mates.

East Cages Lions For 7-3 Triumph

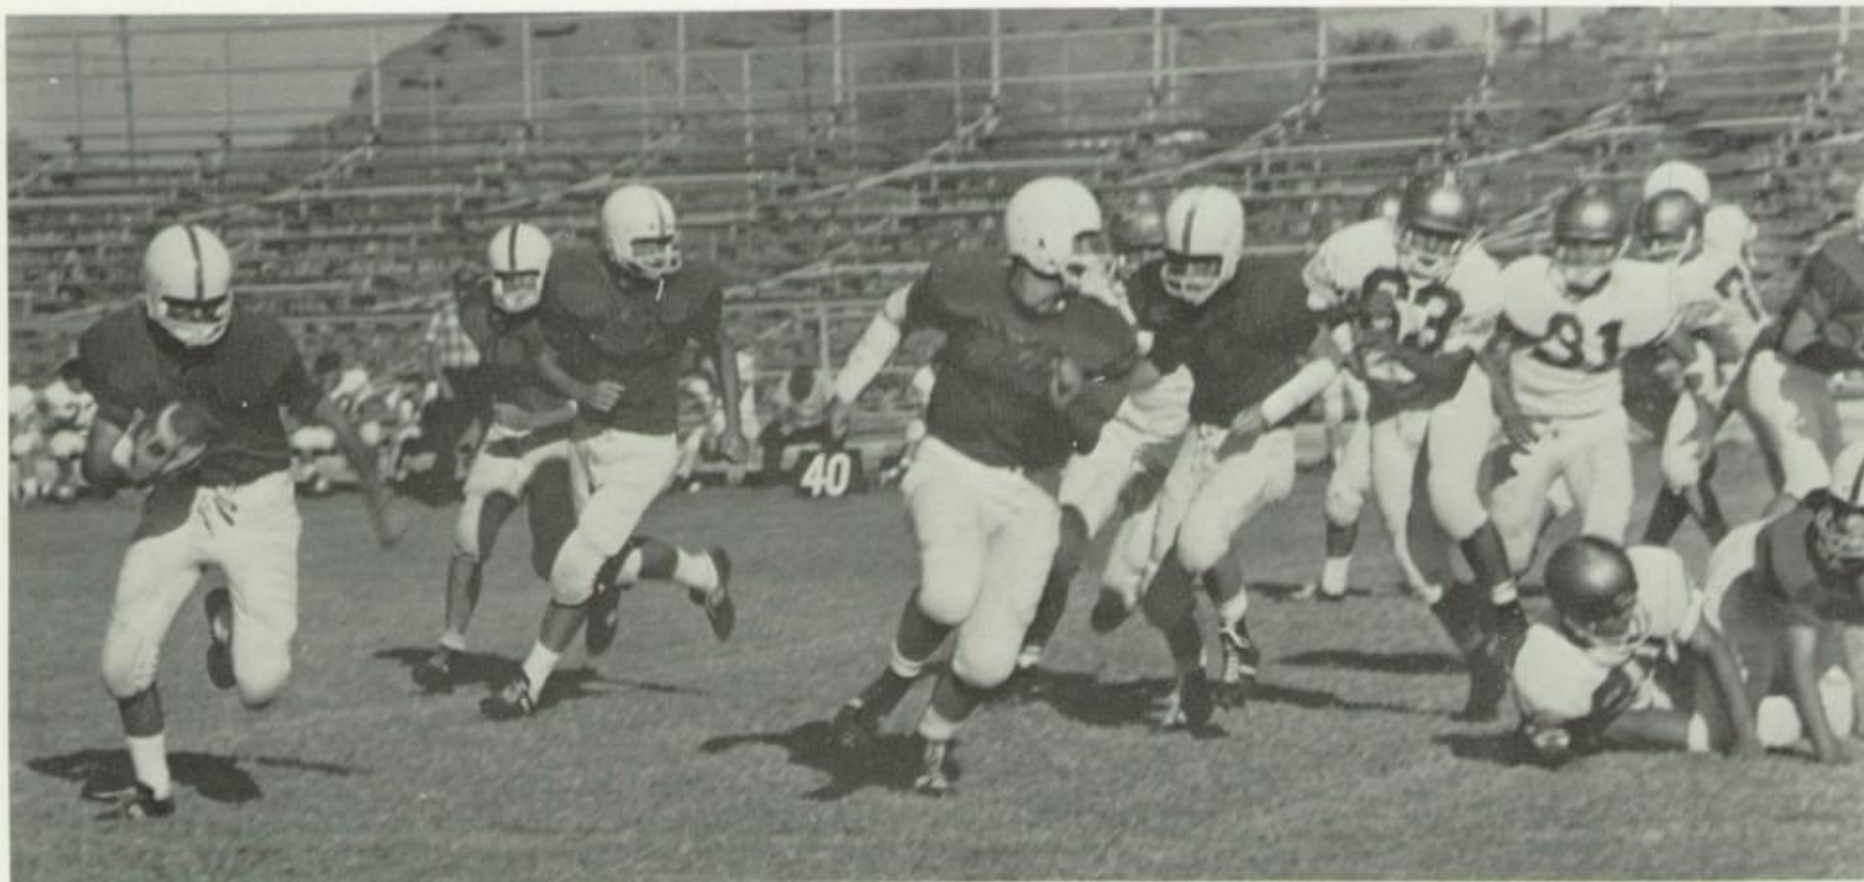

From the beginning, Alhambra set out to get us but their only accomplishment throughout the entire game was a field goal in the first half. Then we started in. Jim Younger directed a pass to Tom Ribaudo to give us a go-ahead touchdown. To add to the excitement of the night, Mike Zimmerman intercepted a pass but didn't get through for any points. As the gun was fired, the score board showed a victory, 7-3.

Trying to break loose is Valenzuela.

The West High opponent thrusts Jim Younger to the ground and stops him cold.

In the closing minutes of the game, JV scores against Gerard.

Basketball

Junior Farney Leads Basketball Team

The Longhorns Varsity Basketball team has a great season to remember. No school was a simple pushover and we put up a tough fight also. With our all time favorite and good senior players, Zimmerman, Poteet, Hall, Ballard, in fact the whole team, aided by the high point player, Farney, a junior, they won 10 games out of 18 and showed us their ability to continue fighting after losing 8.

The beginning of the season was a sad one, losing to West 77-55 but a victory over Camelback 65-46 helped to gain back our confidence. When we beat Phoenix Union 65-64 we rejoiced for they were rated number one in the state. Then we began winning a couple and losing one for the remainder of the season. Our team took us to the State tournament but we failed to place.

Thunderbirds Pin the Longhorns 77-55

In a repeat performance of the previous year the Longhorns opened up their season to West's Thunderbirds on a losing note. Bill Lamb, East High Senior, was high point man with a total of 13 points but still we were unable to pull through and take a victory. Throughout the entire game we lagged behind and wound up the game with a score of 77-55.

Mike Zimmerman and George Poteet stand ready for their chance to take the ball.

Sam Ballard reaches high against Central.

Jim Younger waits for the rebound of a shot by Maryvale.

Maryvale and East await the return of a jump ball by Mike Zimmerman.

Defeat of P.U. Ranked 1 in State

The tension was at the highest point ever throughout the entire game. It was nip and tuck all the way with either team able to win. Finally as the last quarter came to a close the Longhorns were able to sink a free throw shot and end the challenge 65-64, a glorious victory for East since P.U. was rated number one in the state.

Disgust isn't the word for Maryvale.

East Victor, 65-46

The Longhorns' second game of the season showed a lot of progress from their first attempt. East began the game by pulling ahead and staying ahead throughout the game. As the clock drew closer to running out the score board showed a resounding victory for East High over Camelback, 65-46.

Zimmerman and the Bobcats fight for the ball.

Again Mike Zimmerman adds to his total, 2 points, which helped to shut down Maryvale, 56-46.

All alone is Zimmerman scoring 2 more points.

East Downs Kofa 75-56

Kofa stood absolutely no chance at all after we began. From the very beginning to the end we fought and fought hard and it proved to us the truth. We were the best. At half time we were far in front but after the half they began to catch up. They didn't come close enough though, for we still finished the game with a score of 75-56.

Jim Younger shoots for a basket and makes it.

Win and Lose

Since the first game we did great until we met Saguaro High. With all of our best players, we just couldn't make those shots. Saguaro took the game at a saddening score of 54-Saguaro and 38-East.

After a letdown the week before, East smashed our favorite rival McClintock with a grand total of 59 points to their 37 in our sixth game of the season. This left us an average of 4 wins and 2 losses.

Farney and a Maryvale player reach for possession.

Blocked by an opponent, Zimmerman fails to score.

Ballard shoots and waits for the results.

Shooting to gain a lead over Maryvale is Zee.

A Toss-Up Season

Flagstaff High led the Longhorns to another loss of 76-56. East fell into a slump and remained in a routine of win two and lose one. The next game was a rough one. We challenged Alhambra and returned home with a glorious victory, 64-62. This helped to keep us in the state championship running.

High in the air is Jim Farney shooting to win against Alhambra 64-62.

Carl Hayden Loses 2

In both attempts with Carl Hayden, East pulled ahead and showed who was boss. The first time, towards the middle of the season, East won by a mere 9 points for a fairly easy victory. Again, closer to the end of the season, Carl Hayden was put in their place with a tumbling score of 65 to 35. East was now on the road to a very successful year which was evident by the end.

Sam Ballard places a lay up shot in the basket.

Farney passes the ball down the court to another Longhorn to keep it away from Alhambra.

JVs Suffer; Season Ends 6 Wins, 12 Losses

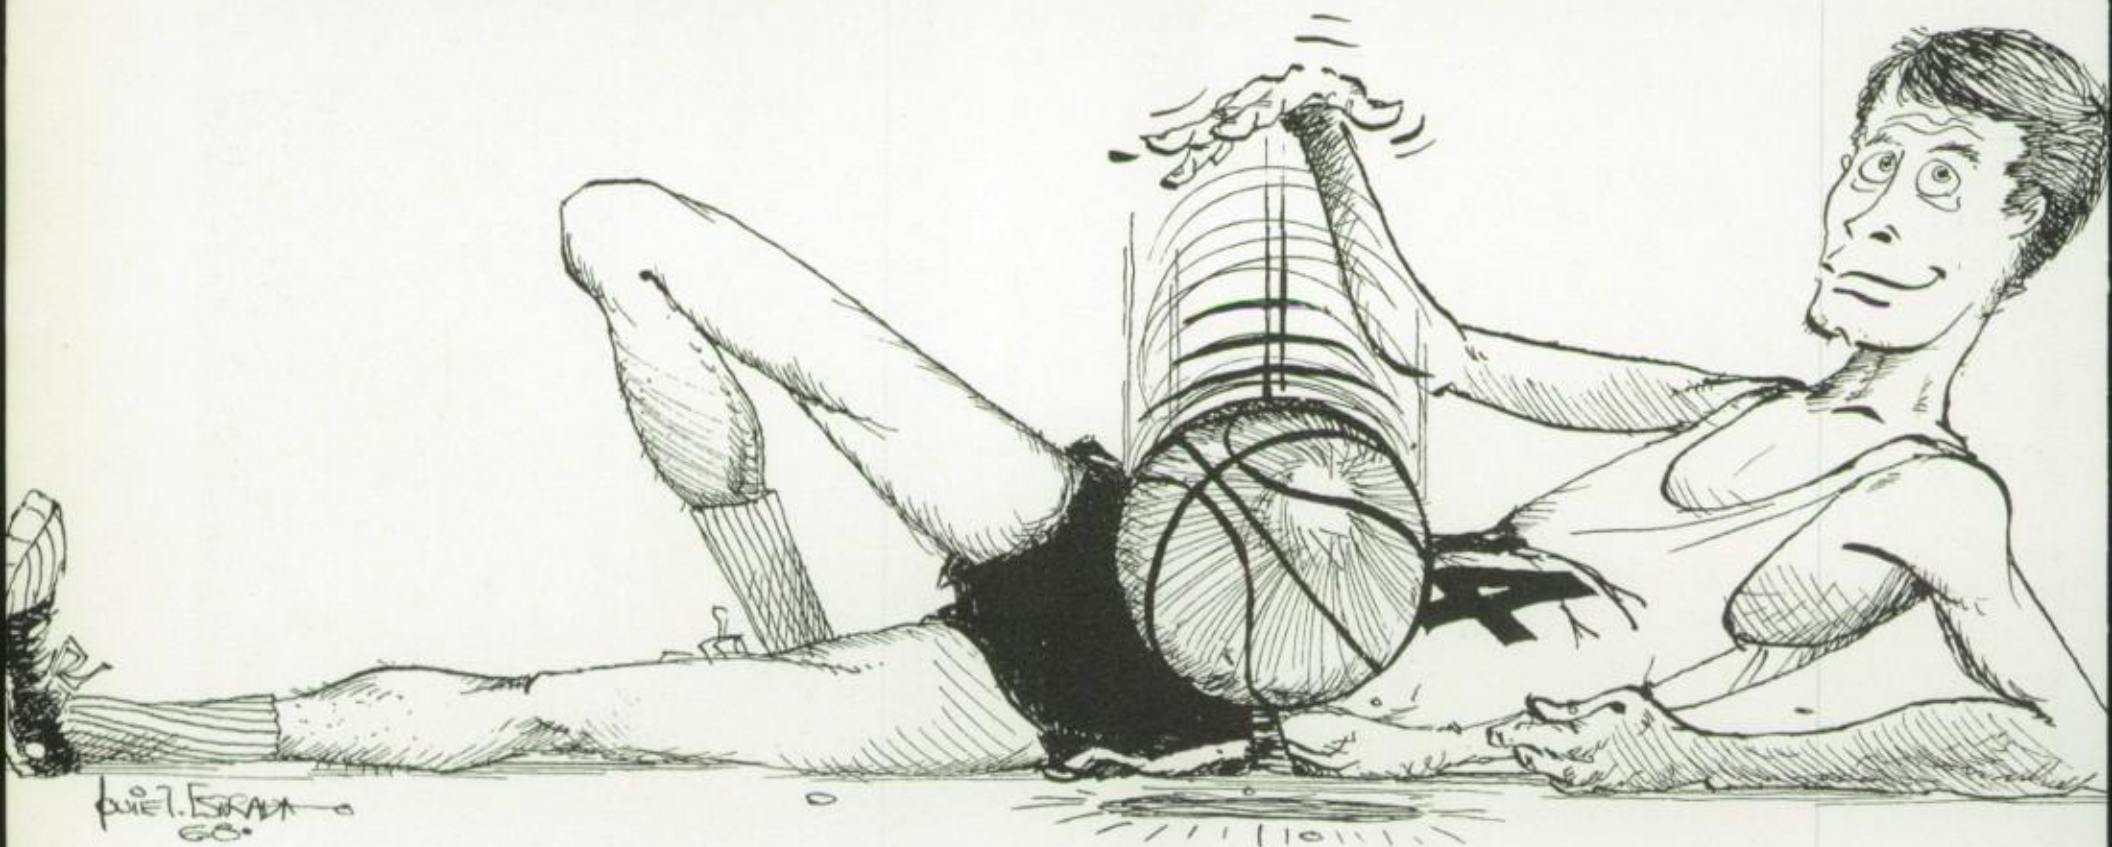

The season's beginning was really a good one, starting off with wins against West and Camelback. Then we were hit hard with ten consecutive losses which hurt considerably. To show they certainly didn't give up, the JV Basketball Team came back with three victories over Maryvale, North and Central at the end of the season. Many games were close but just not close enough to give us the chances we needed.

A mad scramble for a loose ball in a typical JV tilt.

The Coyotes handed the Longhorns their only really bad defeat, 17-43. The other matches were extremely close, which indicates that our Cross Country hopes may be bright for the future.

Bell & Farley Lead Varsity Grapplers

East High's varsity wrestling team competed in 'AA' action this season. The Longhorn grapplers, led by Evan Farley, compiled five wins, five losses, and a second in a four-way meet with Tempe, Scottsdale, and Arcadia. Under the watchful eye of Coach Miles Benda, the Longhorns placed five grapplers in state competition. Although we had only five wins, we still beat our biggest rival ever, North High.

Horace Bell turns this predicament to one of his famous pins.

With Evan Farley and Stan Brooks placing second, Ron West placing third, and Roger Sprague and Horace Bell placing fourth in the Divisional Meet at Alhambra, all five Longhorns went to the State meet at Phoenix Union. Ending the season, Horace Bell attained ten wins and no losses, while Captain Evan Farley wrestled to a nine and one season. On wrestling their first varsity season, Stan Brooks and Ron West came out on top.

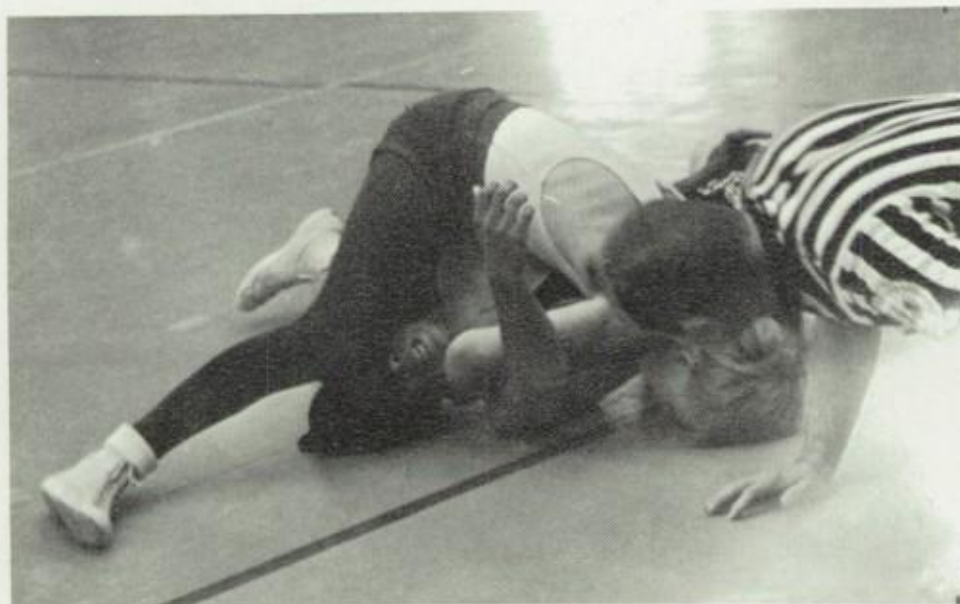

Stan Brooks gains precious seconds in his ride.

Five Wrestlers Went to State

Two Longhorn wrestlers placed second in the district, Stan Brooks and Evan Farley. Horace Bell, placing fourth in district, boasted an undefeated record in dual meets and copped 12 victories in all. These three, along with Ronnie West and Roger Sprague, carried our hopes into the State tournament.

The freshmen wrestlers worked hard under the expert guidance of Coach Al Carr to build up their physiques in preparation for a future of wrestling success. The program being developed now at East High promises to produce many champions of tomorrow.

J.V. Track Squad Works, Strives To Reach High Goals

The Junior Varsity cindermen, under the tutelage of Coach Darryl Franz, showed a great deal of improvement at the end of the year. Indications are that East High School is going to be a track power to be reckoned with in the valley in the years to come. The most consistent winners were John Kalember, Danny Knuth, Neil Larsen, and Dennis Coppinger.

Neil Larson equaled the school record in the pole vault with a leap of 11 feet, six inches; Kalember improved his discus throw by 20 feet; Knuth also sparkled in the discus event; and Coppinger was impressive as a hurdler and a dashman.

Varsity Sluggers Have Rough Year

East's Varsity Baseball team had a generally unsuccessful year. Near the end of the season, Central and Paradise Valley were defeated. Although the season was not the best, many strong players were among our virtues. Rick Borta, infielder, led the team in batting through midseason. Sophomore Greg Wolf, on first string, shows great promise in coming seasons.

JV's Conquer First Three Challengers

The Junior Varsity Baseball team, under the guiding hand of Coach Robert Churbuck, started out by winning their first three games. Chuck Dykman did most of the hurling for the team, while Jerry Martin was behind the plate. The great infield combination of Schalk, Powelson, Craig, and Kelley led the baseballers to most of their wins.

Frosh Hopeful Diamonds Are In Their Future

The freshman baseball team worked hard under the direction of Coach Richard Martin to prove themselves capable of graduating to future JV and Varsity stardom. Many long hours were spent practicing and perfecting all the fundamentals necessary to a beginning team. From them, plays were worked out and tried on opponents. The experience gained by this year's team will pay off in better trained teams for JV and Varsity next year.

Junior Varsity Pom and Cheer Aid JV Teams

To be an effective line both the JV Pom and Cheer lines need to spend as much time practicing as the teams do. The girls must be freshmen returning the following year as sophomores and enrolled at the time in either P.E. or modern dance. The Pom line led by Jeanne Williams made up many dances to different routines. The cheer captain, Kay Ponte, also succeeded in making new cheers leading to victory their JV teams. After participating on either line they are eligible to try out the following year for the Varsity Squad of Pom or Cheer, considering their grades and citizenship record are acceptable.

Cheerleaders watch intently as the action becomes tighter at a basketball game.

Cheerleaders, East High's Greatest Fans

East High Cheerleaders promote spirit throughout the year. They put in long and hard hours working on new movements and new ideas for pushing our teams onto victory. Their biggest and most memorable contribution of this year and the one to come, is the establishment of the E A S T Letters. They have set this new tradition which will last for many years to come. Spirit is Pride.

Cheer alternate Denise "Mouse" Mullet, demonstrates a toe touch.

Varsity Cheer Captain, Cindy Beer, and line member Becky Sandvick, promote spirit in one of their many cheers during a basketball game.

Pom alternates Sandy Fait and Barbara Barfoot fill in when a varsity member is unable to dance.

Activities of the Pom Pon Line have been varied and many this year. The Pom Line also puts in many hard working hours on its skits as well as on precision dancing. The Pom Pon girls have pride in their school. They have the pep and spirit needed to carry through athletic events, win or lose. They are dedicated to the responsibility of never letting the students of East down, and of always being good representatives for East.

The Varsity Pom Pon line always kept the audience entertained during half time at the athletic events by putting on numerous dances.

Fight Song

Here we go down the field
We're the Longhorns of East High,

Win tonight We'll cheer tonight
As the team moves on to victory

We're going to score
We've got to show our might,

We're running strong
We're going to win tonight,

So down the field, on to score,
Go the Longhorns of East High.

MUSIC: Mr. Richard Longfield

Chris Calalanotto and Jerry Winters get good advice on financing a college education from Mr. Jack Scofield of Valley National Bank at Tower Plaza.

Are high school seniors
ready for their own
checking account?

FIRST NATIONAL BANK

thinks so!

Today, high school seniors have developed a sense of responsibility that includes a desire to manage their own financial affairs.

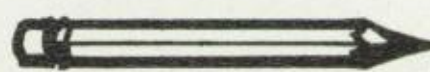

To encourage this desire for sound money management First National suggests you inquire about an inexpensive Custom Checking Account at any office of the bank where you come first.

If you plan on attending college in Arizona, be sure to ask about First National's free college checks and checkbook covers.

Spring Chiller—Mystery '68

"A Murder Has Been Arranged" was East High's second semester production under the alias of "Mystery '68." The cast was chosen by Director Mrs. Marge Jones on the basis of previous experience. G. J. Wilson, Sophomore, served as assistant director.

Sir Charles Jasper is having a party on the stage of the Saint James's Theatre to celebrate his 40th birthday and inheritance of two million pounds. The legend of the theatre ghost, a dumb woman, and the arrival of Sir Charles' only living relative, Maurice Mullins, provides intrigue and suspense throughout the play. The question left to be answered by the audience was "Did Sir Charles

really die?"

M. & G. Productions, a newly formed selective drama group, produced the play. The group was formed in the revision of the drama department with emphasis on professional attitude and skills. Three one-act plays were attempted with student directors, but were cancelled due to lack of enough professional people. Mrs. Jones chose to direct the three-act mystery with four weeks left for rehearsals, set building, and other phases of production. By working on Saturdays and during spring vacation, an excellent performance was achieved.

Pride is Spirit Spirit is Pride

These words have become a part of each student and the basis of establishing the traditions which each and every one of us here at East High are proud of.

Along with practicing your beliefs, you must have the fortitude and vigor it takes to carry something to its completion. This is what each of my staff members has done. Each one of them has given up his spare time, effort, and imagination in order to bring to you this portfolio of traditions as well as memories of this past year's events.

Compiled in the pages of this year we have enumerated all the traditions that have been established here at East High. Most of these traditions have originated from East High's first four year graduating class, and with proud enthusiasm I would like to dedicate this yearbook to you graduates.

I would like to thank Mr. Cox for his support during the year and his guidance and cheery smile when things were at a stand still.

Next I would like to give my utmost thanks and true appreciation to my staff members. It has been a real pleasure and privilege to work with you. For those who are seniors and graduating in June, remember those immortal words "Bless This Mess."

I look forward hopefully in the future that next year's staff will produce a fine yearbook too, and I would like to wish each and every one of you the best of luck.

Finally I would like to thank our hard working photographers for all of their long hours and strong efforts.

This is my last year here at East and I have seen it grow to be what it is now. I have participated in setting these traditions and now it is up to you, the student body of the future years, to carry on these traditions and maintain the spirit which has been such a vital organism here at East. I can truly say East is the Greatest!

P.S. Good thought

Carol,
for the many hours
of insults we have
passed to each
other. Thanks.

Carol,
I'm just signing your
yearbook so you can have
the status of saying that
I did it. Thanks for all
the rides in the morning.
Good luck with everything.

Carol ~ T.F. has been the whole
thing, & you did more than anyone else
to make it go. Too bad you couldn't go
to a good school like Arcadia. It's been a
great year, but it's over now - summers next!
Don't ever change, be good or have fun.
